OF THE
CERTIFICATE OF INCORPORATION
OF
SACHEM CAPITAL CORP.**

(Pursuant to Section 805 of the Business Corporation Law)

It is hereby certified that:

FIRST: The current name of the corporation is SACHEM CAPITAL CORP and the name under which it was originally formed was HML CAPITAL CORP.

SECOND: The certificate of incorporation of the corporation ("Certificate of Incorporation") was filed with the Department of State on January 25, 2016.

THIRD: The Certificate of Incorporation, as heretofore amended, is hereby amended to effect changes authorized by Section 502(c) of the Business Corporation Law ("BCL") to set forth the number, designation, preferences, privileges, voting power and the restrictions or qualifications of a new series of Preferred Shares of the corporation to be known as "7.75% Series A Cumulative Redeemable Preferred Stock" of the Corporation, \$0.001 par value per share, with the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications, or terms or conditions of redemption set forth below, which shall become part of Article FOURTH of the Certificate of Incorporation.

FOURTH: To accomplish the foregoing amendment Article FOURTH of the Certificate of Incorporation is hereby amended and, as amended, shall read in its entirety as follows:

FOURTH: The aggregate number of shares which the corporation shall have authority to issue is 105,000,000 of which 100,000,000 shall be common shares, par value \$.001 per share (the "Common Shares") and 5,000,000 shall be preferred shares, par value \$.001 per share (the "Preferred Shares"). The Preferred Shares may be issued, from time to time, in one or more series with such designations, preferences and relative participating optional or other special rights and qualifications, limitations or restrictions thereof including but not limited to preemptive rights (notwithstanding anything contained to the contrary in Article TENTH hereof), as shall be stated in the resolutions adopted by the Board of Directors providing for the issuance of such Preferred Shares or series thereof; and the Board of Directors is hereby expressly vested with authority to fix such designations, preferences and relative participating optional or other special rights or qualifications, limitations or restrictions for each series, including, but not by way of limitation, the power to affix the redemption and liquidation preferences, the rate of dividends payable and the time for and the priority of payment thereof and to determine whether such dividends shall be cumulative or not and to provide for and affix the terms of conversion of such Preferred Shares or any series thereof into Common Shares of the corporation and fix the voting power, if any, of Preferred Shares or any series thereof and to provide for preemptive rights (notwithstanding anything contained to the contrary in Article TENTH hereof).

**A. 7.75% SERIES A CUMULATIVE REDEEMABLE PREFERRED STOCK
(\$25.00 LIQUIDATION PREFERENCE PER SHARE)**

Section 1. Designation and Amount. A series of Preferred Shares designated as "7.75% Series A Cumulative Redeemable Preferred Stock" of the Corporation, \$0.001 par value per share (the "Series A Preferred Stock"), is hereby established. The total number of authorized shares of Series A Preferred Stock shall be one million nine hundred fifty-five thousand (1,955,000).

Section 2. Maturity. The Series A Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption and will remain outstanding indefinitely unless (i) the Corporation decides to redeem or otherwise repurchase the Series A Preferred Stock or (ii) the Series A Preferred Stock becomes convertible and is actually converted pursuant to Section 7 hereof. The Corporation is not required to set aside funds to redeem the Series A Preferred Stock.

Section 3. Ranking. The Series A Preferred Stock will rank, with respect to rights to the payment of dividends and the distribution of assets in the event of any liquidation, dissolution or winding up of the Corporation, senior to all classes or series of the Corporation's common shares, \$0.001 par value per share (the "Common Stock") and (ii) on a parity with all other equity securities issued by the Corporation with terms specifically providing that those equity securities rank on a parity with the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation; (iii) junior to all equity securities issued by the Corporation with terms specifically providing that those equity securities rank senior to the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation.

1

Section 4. Dividends.

(a) Holders of shares of the Series A Preferred Stock are entitled to receive, when, as and if authorized by the Board and declared by the Corporation, out of funds of the Corporation legally available for the payment of dividends, cumulative cash dividends at the rate of 7.75% of the \$25.00 per share liquidation preference per annum (equivalent to \$1.9375 per annum per share). Dividends on the Series A Preferred Stock shall accrue daily and be cumulative from, and include, the date of original issue (the "Original Issue Date"), or, for each dividend period (as defined below) subsequent to the first dividend period, the latest dividend payment date (as defined below) to which cumulative dividends have been paid in full (or declared and the corresponding Dividend Record Date (as defined below) for determining stockholders entitled to payment thereof has passed) and shall be payable quarterly in arrears on March 30, June 30, September 30 and December 30 of each year (each, a "dividend payment date"); *provided*, that if any dividend payment date is not a business day (as defined below), then the dividend which would otherwise have been payable on that dividend payment date may be paid on the next succeeding business day with the same force and effect as if paid on such dividend payment date and no interest, additional dividends or other sums will accrue on the amount so payable for the period from and after such dividend payment date to such next succeeding business day. Any dividend payable on the Series A Preferred Stock, including dividends payable for any partial dividend period, will be computed on the basis of a 360-day year consisting of twelve 30-day months (it being understood that the dividend payable on September 30, 2021 will be for less than the full quarterly period). Dividends will be payable to holders of record as they appear in the stock records of the Corporation for the Series A Preferred Stock at the close of business on the applicable record date, which shall be the fifteenth day of the calendar month, whether or not a business day, in which the applicable dividend payment date falls (each, a "Dividend Record Date"). The dividends payable on any dividend payment date shall include dividends accumulated to, but not including, such dividend payment date. A "dividend period" shall mean, with respect to the first "dividend period," the period from and including the Original Issue Date to and not including September 30, 2021, and with respect to each subsequent "dividend period," the period from and including the previous dividend payment date to and not including the next succeeding dividend payment date.

(b) No dividends on shares of Series A Preferred Stock shall be authorized by the Board or paid or set apart for payment by the Corporation at any time when the terms and provisions of any agreement of the Corporation, including any agreement relating to any indebtedness of the Corporation, prohibit the authorization, payment or setting apart for payment thereof or provide that the authorization, payment or setting apart for payment thereof would constitute a breach of the agreement or a default under the agreement, or if the authorization, payment or setting apart for payment shall be restricted or prohibited by law.

(c) Notwithstanding anything to the contrary contained herein, dividends on the Series A Preferred Stock will accrue whether or not the Corporation has earnings, whether or not there are assets legally available for the payment of those dividends and whether or not those dividends are declared. No interest, or sum in lieu of interest, will be payable in respect of any dividend payment or payments on the Series A Preferred Stock which may be in arrears, and holders of shares of Series A Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends described in Section 4(a). Any dividend payment made on the Series A Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to the Series A Preferred Stock.

(d) Except as provided in Section 4(e), unless full cumulative dividends on the Series A Preferred Stock for all past dividend periods have been or contemporaneously are declared and paid, (i) no dividends (other than in shares of Common Stock or in shares of any class or series of the Corporation's preferred shares, \$0.001 par value per share (the "Preferred Stock"), that the Corporation may issue ranking junior to the Series A Preferred Stock as to the payment of dividends and the distribution of assets upon liquidation, dissolution or winding up) shall be declared and paid upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, (ii) no other distribution shall be declared and made upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up shall be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by the Corporation (except (x) by conversion into or exchange for other capital stock of the Corporation that it may issue ranking junior to the Series A Preferred Stock as to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, (y) for transfers made pursuant to the provisions of Article TWELFTH of the Charter and Section 11 hereof or (z) pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series A Preferred Stock and any Preferred Stock that the Corporation may issue ranking on a parity with the Series A Preferred Stock as to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up).

2

(e) When dividends are not paid in full upon the Series A Preferred Stock and the shares of any other class or series of Preferred Stock that the Corporation may issue ranking on a parity as to the payment of dividends with the Series A Preferred Stock, all dividends declared upon the Series A Preferred Stock and any other class or series of Preferred Stock ranking on a parity that the Corporation may issue as to the payment of dividends with the Series A Preferred Stock shall be declared *pro rata* so that the amount of dividends declared per share of Series A Preferred Stock and such other class or series of Preferred Stock that the Corporation may issue shall in all cases bear to each other the same ratio that accrued dividends per share on the Series A Preferred Stock and such other class or series of Preferred Stock that the Corporation may issue (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series A Preferred Stock which may be in arrears.

(f) "Business day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in New York, New York are authorized or required by law, regulation or executive order to close.

(g) "Set apart for payment" shall be deemed to include, without any action other than the following: the recording by the Corporation in its accounting ledgers of any accounting or bookkeeping entry which indicates, pursuant to an authorization by the Board and a declaration of dividends or other distribution by the Corporation, the allocation of funds to be so paid on any series or class of shares of stock of the Corporation; *provided, however*, that if any funds for any class or series of stock ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends are placed in a separate account of the Corporation or delivered to a disbursing, paying or other similar agent, then "set apart for payment" with respect to the Series A Preferred Stock shall mean placing such funds in a separate account or delivering such funds to a disbursing, paying or other similar agent.

Section 5. Liquidation Preference.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after satisfaction of liabilities to creditors and subject to the preferential rights of the holders of any class or series of stock of the Corporation it may issue ranking senior to the Series A Preferred Stock with respect to the distribution of assets upon liquidation, dissolution or winding up, the holders of shares of Series A Preferred Stock will be entitled to be paid out of the assets the Corporation has legally available for distribution to its stockholders a liquidation preference of Twenty-Five Dollars (\$25.00) per share, plus an amount equal to any accumulated and unpaid dividends to, but not including, the date of payment, before any distribution of assets is made to holders of Common Stock or any other class or series of stock of the Corporation it may issue that ranks junior to the Series A Preferred Stock as to liquidation rights.

(b) In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the available assets of the Corporation or proceeds thereof are insufficient to pay in full the amount of the liquidating distributions on all outstanding shares of Series A Preferred Stock and the corresponding amounts payable on all shares of other classes or series of capital stock (including any accrued and unpaid distributions that are required to be paid in accordance with the terms of such stock ranking on a parity with the Series A Preferred Stock) of the Corporation that it may issue ranking on a parity with the Series A Preferred Stock in the distribution of assets, then the holders of the Series A Preferred Stock and all other such classes or series of capital stock shall share ratably in any such distribution of assets or proceeds thereof in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

(c) Holders of shares of Series A Preferred Stock will be entitled to written notice of any such liquidation no fewer than 30 days and no more than 60 days prior to the payment date. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of shares of Series A Preferred Stock will have no right or claim to any of the remaining assets of the Corporation. The consolidation or merger of the Corporation with or into any other corporation, trust or entity or of any other entity with or into the Corporation, or the sale, lease, transfer or conveyance of all or substantially all of the property or business the Corporation, shall not be deemed to constitute a liquidation, dissolution or winding up of the Corporation.

3

(d) In determining whether a distribution (other than upon voluntary or involuntary liquidation), by dividend, redemption, or other acquisition of shares of the stock of the Corporation or otherwise, is permitted under the BCL, amounts that would be needed, if the Corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of holders of shares of the Series A Preferred Stock will not be added to the total liabilities of the Corporation.

Section 6. Redemption.

(a) The Series A Preferred Stock is not redeemable by the Corporation prior to June 29, 2026, except as described in this Section 6 and except that, as provided in the Charter, including these terms of the Series A Preferred Stock, the Corporation may purchase or redeem shares of the Series A Preferred Stock prior to that date in order to preserve its qualification as a real estate investment trust ("REIT") for federal income tax purposes.

(b) Optional Redemption Right. On and after June 29, 2026, the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem

the Series A Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If the Corporation elects to redeem any shares of Series A Preferred Stock as described in this Section 6(b), it may use any available cash to pay the redemption price, and it will not be required to pay the redemption price only out of the proceeds from the issuance of other equity securities or any other specific source.

(c) Special Optional Redemption Right. Notwithstanding anything to the contrary contained in Section 6(a), upon the occurrence of a Change of Control (as hereinafter defined), the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series A Preferred Stock, in whole or in part, within 120 days on or after the first date on which such Change of Control occurred, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If, prior to the Change of Control Conversion Date (as hereinafter defined), the Corporation has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock pursuant to this Section 6, the holders of shares of Series A Preferred Stock will not have the Change of Control Conversion Right (as hereinafter defined) with respect to the shares called for redemption.

(d) A "Change of Control" is deemed to occur when, after the Original Issue Date, the following have occurred and are continuing: (i) the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of stock of the Corporation entitling that person to exercise more than 50% of the total voting power of all stock of the Corporation entitled to vote generally in the election of directors of the Corporation (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and (ii) following the closing of any transaction referred to in clause (i), neither the Corporation nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts representing such securities) listed on the New York Stock Exchange (the "NYSE"), the NYSE American LLC ("NYSE American") or the Nasdaq Stock Market ("Nasdaq"), or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE American or Nasdaq.

4

(e) In the event the Corporation elects to redeem Series A Preferred Stock, the notice of redemption will be mailed by the Corporation to each holder of record of Series A Preferred Stock called for redemption at such holder's address as it appears on the stock transfer records of the Corporation and shall state: (i) the redemption date; (ii) the number of shares of Series A Preferred Stock to be redeemed; (iii) the redemption price, to be payable on the redemption date; (iv) the place or places where certificates (if any) for the Series A Preferred Stock are to be surrendered for payment of the redemption price; (v) that dividends on the shares to be redeemed will cease to accumulate on the redemption date; (vi) whether such redemption is being made pursuant to Section 6(a), Section 6(b) or Section 6(c); (vii) if applicable, that such redemption is being made in connection with a Change of Control and, in that case, a brief description of the transaction or transactions constituting such Change of Control; and (viii) if such redemption is being made in connection with a Change of Control, that the holders of the shares of Series A Preferred Stock being so called for redemption will not be able to tender such shares of Series A Preferred Stock for conversion in connection with the Change of Control and that each share of Series A Preferred Stock tendered for conversion that is called, prior to the Change of Control Conversion Date, for redemption will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date. If less than all of the shares of Series A Preferred Stock held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series A Preferred Stock held by such holder to be redeemed. No failure to give such notice or any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of Series A Preferred Stock except as to a holder for whom both of the following are true: (i) notice to such holder was defective or not given and (ii) such holder does not receive the redemption price on the redemption date.

(f) Holders of Series A Preferred Stock to be redeemed shall surrender the Series A Preferred Stock at the place designated in the notice of redemption and shall be entitled to the redemption price and any accumulated and unpaid dividends payable upon the redemption following the surrender.

(g) If notice of redemption of any shares of Series A Preferred Stock has been given and if the Corporation irrevocably sets apart the funds necessary for redemption in trust for the benefit of the holders of the shares of Series A Preferred Stock so called for redemption, then from and after the redemption date (unless the Corporation shall default in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends will cease to accrue on those shares of Series A Preferred Stock, those shares of Series A Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price plus accumulated and unpaid dividends, if any, payable upon redemption.

(h) If any redemption date is not a business day, then the redemption price and accumulated and unpaid dividends, if any, payable upon redemption may be paid on the next business day and no interest, additional dividends or other sums will accrue on the amount payable for the period from and after that redemption date to that next business day.

(i) If less than all of the outstanding Series A Preferred Stock is to be redeemed, the Series A Preferred Stock to be redeemed shall be selected *pro rata* (as nearly as may be practicable without creating fractional shares) or by lot, provided that no shares will be redeemed in a manner that would result in the automatic transfer of any shares of stock of the Corporation to a Trust (as defined in the Charter) pursuant to the provisions of Article TWELFTH of the Charter and Section 11 hereof.

(j) Immediately prior to any redemption of Series A Preferred Stock, the Corporation shall pay, in cash, any accumulated and unpaid dividends through but not including the redemption date, unless a redemption date falls after a Dividend Record Date and prior to the corresponding dividend payment date, in which case each holder of shares of Series A Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding dividend payment date notwithstanding the redemption of such shares before such dividend payment date. Except as provided in this Section 6(j), the Corporation will make no payment or allowance for unpaid dividends, whether or not in arrears, on shares of the Series A Preferred Stock to be redeemed.

(k) Unless full cumulative dividends on all shares of Series A Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, no shares of Series A Preferred Stock shall be redeemed unless all outstanding shares of Series A Preferred Stock are simultaneously redeemed and the Corporation shall not purchase or otherwise acquire directly or indirectly any shares of Series A Preferred Stock (except by exchanging them for shares of its capital stock ranking junior to the Series A Preferred Stock as to the payment dividends and upon liquidation, dissolution or winding up); *provided, however*, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of Series A Preferred Stock to preserve its status as a REIT for federal income tax purposes or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series A Preferred Stock.

5

(l) Subject to applicable law, the Corporation may purchase shares of Series A Preferred Stock in the open market, by tender or by private agreement. Any shares of Series A Preferred Stock that shall at any time have been redeemed or otherwise acquired by the Corporation shall become authorized but unissued shares of Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

Section 7. Conversion Rights. Shares of Series A Preferred Stock are not convertible into or exchangeable for any other property or securities of the Corporation, except as provided in this Section 7.

(a) Upon the occurrence of a Change of Control, each holder of shares of Series A Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock held by such holder pursuant to Section 6, in which case such holder will have the right only with respect to shares of Series A Preferred Stock that are not called for redemption) to convert some or all of the Series A Preferred Stock held by such holder (the “Change of Control Conversion Right”) on the Change of Control Conversion Date into a number of shares of Common Stock per share of Series A Preferred Stock (the “Common Stock Conversion Consideration”) equal to the lesser of: (i) the quotient obtained by dividing (x) the sum of the \$25.00 liquidation preference per share of Series A Preferred Stock plus the amount of any accumulated and unpaid dividends thereon to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a Dividend Record Date and prior to the corresponding dividend payment date for the Series A Preferred Stock, in which case no additional amount for such accrued and unpaid dividends will be included in this sum) by (y) the Common Stock Price (as hereinafter defined) (such quotient, the “Conversion Rate”); and (ii) 25 (the “Share Cap”), subject to adjustments provided in Section 7(b) below.

(b) The Share Cap is subject to pro rata adjustments for any share splits (including those effected pursuant to a distribution of Common Stock to existing holders of Common Stock), subdivisions or combinations (in each case, a “Share Split”) with respect to Common Stock as follows: the adjusted Share Cap as the result of a Share Split will be the number of shares of Common Stock that is equivalent to the product obtained by multiplying (i) the Share Cap in effect immediately prior to such Share Split by (ii) a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after giving effect to such Share Split and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such Share Split. For the avoidance of doubt, subject to the immediately succeeding sentence, the aggregate number of shares of Common Stock (or equivalent Alternative Conversion Consideration (as hereinafter defined), as applicable) issuable or deliverable, as applicable, in connection with the exercise of the Change of Control Conversion Right will not exceed 42,500,000 shares of Common Stock (or equivalent Alternative Conversion Consideration, as applicable), subject to proportionate increase to the extent the underwriters’ over-allotment option to purchase additional shares of Series A Preferred Stock in the initial public offering of Series A Preferred Stock is exercised, not to exceed 48,875,000 shares of Common Stock in total (or equivalent Alternative Conversion Consideration, as applicable) (the “Exchange Cap”). The Exchange Cap is subject to pro rata adjustments for any Share Splits on the same basis as the corresponding adjustment to the Share Cap and will also be increased on a pro rata basis with respect to any additional shares of Series A Preferred Stock that are designated and authorized for issuance pursuant to any subsequent articles supplementary and subsequently issued.

(c) The “Change of Control Conversion Date” is the date the Series A Preferred Stock is to be converted, which will be a business day selected by the Corporation that is no fewer than 20 days nor more than 35 days after the date on which it provides the notice described in Section 7(h) to the holders of shares of Series A Preferred Stock.

(d) The “Common Stock Price” is (i) if the consideration to be received in the Change of Control by the holders of Common Stock is solely cash, the amount of cash consideration per share of Common Stock or (ii) if the consideration to be received in the Change of Control by holders of Common Stock is other than solely cash (x) the average of the closing sale prices per share of Common Stock (or, if no closing sale price is reported, the average of the closing bid and ask prices per share or, if more than one in either case, the average of the average closing bid and the average closing ask prices per share) for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred as reported on the principal U.S. securities exchange on which Common Stock is then traded, or (y) the average of the last quoted bid prices for Common Stock in the over-the-counter market as reported by OTC Markets Group Inc. or similar organization for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred, if Common Stock is not then listed for trading on a U.S. securities exchange.

(e) In the case of a Change of Control pursuant to which Common Stock is or will be converted into cash, securities or other property or assets (including any combination thereof) (the “Alternative Form Consideration”), a holder of shares of Series A Preferred Stock will receive upon conversion of such Series A Preferred Stock the kind and amount of Alternative Form Consideration which such holder would have owned or been entitled to receive upon the Change of Control had such holder held a number of shares of Common Stock equal to the Common Stock Conversion Consideration immediately prior to the effective time of the Change of Control (the “Alternative Conversion Consideration”; the Common Stock Conversion Consideration or the Alternative Conversion Consideration, whichever shall be applicable to a Change of Control, is referred to as the “Conversion Consideration”).

(f) If the holders of Common Stock have the opportunity to elect the form of consideration to be received in the Change of Control, the Conversion Consideration in respect of such Change of Control will be deemed to be the kind and amount of consideration actually received by holders of a majority of the outstanding shares of Common Stock that made or voted for such an election (if electing between two types of consideration) or holders of a plurality of the outstanding shares of Common Stock that made or voted for such an election (if electing between more than two types of consideration), as the case may be, and will be subject to any limitations to which all holders of Common Stock are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in such Change of Control.

(g) No fractional shares of Common Stock will be issued upon the conversion of the Series A Preferred Stock in connection with a Change of Control. Instead, the Corporation will make a cash payment equal to the value of such fractional shares based upon the Common Stock Price used in determining the Common Stock Conversion Consideration for such Change of Control.

(h) Within 15 days following the occurrence of a Change of Control, unless the Corporation has, prior to the expiration of such 15-day period, provided notice of its election to redeem all shares of Series A Preferred Stock pursuant to Section 6, the Corporation will provide to holders of shares of Series A Preferred Stock a notice of occurrence of the Change of Control that describes the resulting Change of Control Conversion Right, which notice shall be delivered to the holders of record of the shares of the Series A Preferred Stock at their addresses as they appear on the stock transfer records of the Corporation and shall state: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the last date on which the holders of Series A Preferred Stock may exercise their Change of Control Conversion Right; (iv) the method and period for calculating the Common Stock Price; (v) the Change of Control Conversion Date; (vi) that if, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem all or any shares of Series A Preferred Stock, holders will not be able to convert the shares of Series A Preferred Stock called for redemption and such shares will be redeemed on the related redemption date, even if such shares have already been tendered for conversion pursuant to the Change of Control Conversion Right; (vii) if applicable, the type and amount of Alternative Conversion Consideration entitled to be received per share of Series A Preferred Stock; (viii) the name and address of the paying agent, transfer agent and conversion agent for the Series A Preferred Stock; (ix) the procedures that the holders of shares of Series A Preferred Stock must follow to exercise the Change of Control Conversion Right (including procedures for surrendering shares for conversion through the facilities of a Depository (as hereinafter defined)), including the form of conversion notice to be delivered by such holders as described below; and (x) the last date on which holders of shares of Series A Preferred Stock may withdraw shares surrendered for conversion and the procedures that such holders must follow to effect such a withdrawal.

(i) The Corporation shall also issue a press release containing such notice provided for in Section 7(h) for publication on The Wall Street Journal, Business Wire, PR Newswire or Bloomberg Business News (or, if these organizations are not in existence at the time of issuance of the press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public), and post a notice on its website, in any event prior to the opening of business on the first business day following any date on which it provides the notice provided for in Section 7(h) to the holders of shares of Series A Preferred Stock.

(j) To exercise the Change of Control Conversion Right, the holders of shares of Series A Preferred Stock will be required to deliver, on or before the close of business on the Change of Control Conversion Date, the certificates (if any) representing the shares of Series A Preferred Stock to be converted, duly endorsed for transfer (or, in the case of any shares of Series A Preferred Stock held in book-entry form through a Depository (as defined below), to deliver, on or before the close of business on the Change of Control Conversion Date, the shares of Series A Preferred Stock to be converted through the facilities of such Depository), together with a written conversion notice in the form provided by the Corporation, duly completed, to its transfer agent. The conversion notice must state: (i) the relevant Change of Control Conversion Date; (ii) the number of shares of Series A Preferred Stock to be converted; and (iii) that the Series A Preferred Stock is to be converted pursuant to the applicable provisions of the Series A Preferred Stock.

(k) Holders of shares of Series A Preferred Stock may withdraw any notice of exercise of a Change of Control Conversion Right (in whole or in part) by a written notice of withdrawal delivered to the transfer agent of the Corporation prior to the close of business on the business day prior to the Change of Control Conversion Date. The notice of withdrawal delivered by any holder must state: (i) the number of withdrawn shares of Series A Preferred Stock; (ii) if certificated Series A Preferred Stock has been surrendered for conversion, the certificate numbers of the withdrawn shares of Series A Preferred Stock; and (iii) the number of shares of Series A Preferred Stock, if any, which remain subject to the holder's conversion notice.

(l) Notwithstanding anything to the contrary contained in Sections 7(j) and (k), if any shares of Series A Preferred Stock are held in book-entry form through The Depository Trust Company ("DTC") or a similar depository (each, a "Depository"), the conversion notice and/or the notice of withdrawal, as applicable, must comply with applicable procedures, if any, of the applicable Depository.

(m) Series A Preferred Stock as to which the Change of Control Conversion Right has been properly exercised and for which the conversion notice has not been properly withdrawn will be converted into the applicable Conversion Consideration in accordance with the Change of Control Conversion Right on the Change of Control Conversion Date, unless prior to the Change of Control Conversion Date the Corporation has provided notice of its election to redeem some or all of the shares of Series A Preferred Stock pursuant to Section 6, in which case only the shares of Series A Preferred Stock properly surrendered for conversion and not properly withdrawn that are not called for redemption will be converted as aforesaid. If the Corporation elects to redeem shares of Series A Preferred Stock that would otherwise be converted into the applicable Conversion Consideration on a Change of Control Conversion Date, such shares of Series A Preferred Stock will not be so converted and the holders of such shares will be entitled to receive on the applicable redemption date the redemption price as provided in Section 6.

(n) The Corporation shall deliver all securities, cash and any other property owing upon conversion no later than the third business day following the Change of Control Conversion Date. Notwithstanding the foregoing, the persons entitled to receive any shares of Common Stock or other securities delivered on conversion will be deemed to have become the holders of record thereof as of the Change of Control Conversion Date.

(o) In connection with the exercise of any Change of Control Conversion Right, the Corporation shall comply with all federal and state securities laws and stock exchange rules in connection with any conversion of Series A Preferred Stock into shares of Common Stock or other property. Notwithstanding any other provision of the Series A Preferred Stock, no holder of Series A Preferred Stock will be entitled to convert such Series A Preferred Stock into shares of Common Stock to the extent that receipt of such Common Stock would cause such holder (or any other person) to exceed the applicable share ownership limitations contained in the Charter, including these terms of the Series A Preferred Stock, unless the Corporation provides an exemption from this limitation to such holder pursuant to the Charter, including these terms of the Series A Preferred Stock.

(p) Notwithstanding anything to the contrary herein and except as otherwise required by law, the persons who are the holders of record of shares of Series A Preferred Stock at the close of business on a Dividend Record Date will be entitled to receive the dividend payable on the corresponding dividend payment date notwithstanding the conversion of those shares after such Dividend Record Date and on or prior to such dividend payment date and, in such case, the full amount of such dividend shall be paid on such dividend payment date to the persons who were the holders of record at the close of business on such Dividend Record Date. Except as provided in this Section 7(p), the Corporation will make no allowance for unpaid dividends that are not in arrears on the shares of Series A Preferred Stock to be converted.

Section 8. Voting Rights.

(a) Holders of the Series A Preferred Stock will not have any voting rights, except as set forth in this Section 8. On each matter on which holders of shares of Series A Preferred Stock are entitled to vote, each share of Series A Preferred Stock will entitle the holder thereof to one vote, except that when shares of any other class or series of Preferred Stock have the right to vote with the Series A Preferred Stock as a single class on any matter, the Series A Preferred Stock and the shares of each such other class or series will entitle the holders thereof to one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

(b) Whenever dividends on any shares of Series A Preferred Stock are in arrears for six or more quarterly dividend periods, whether or not consecutive, the number of directors constituting the Board will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other class or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred and are exercisable and with which the Series A Preferred Stock is entitled to vote as a class with respect to the election of those two directors) and the holders of shares of Series A Preferred Stock (voting together as a single class with all other classes or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred (including, if applicable, the Series A Preferred Stock, the Series B Preferred Stock and the Series C Preferred Stock) and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two directors) will be entitled to vote for the election of those two additional directors at a special meeting called by the Corporation at the request of the holders of record of at least 25% of the outstanding shares of Series A Preferred Stock or by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of stockholders of the Corporation, in which case, such vote will be held at the earlier of the next annual or special meeting of stockholders of the Corporation), and at each subsequent annual meeting until all dividends accumulated on the Series A Preferred Stock for all past dividend periods and the then current dividend period shall have been fully paid. In that case, the right of holders of the Series A Preferred Stock to elect any directors will cease and, unless there are other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable, the term of office of any directors elected by holders of the Series A Preferred Stock shall immediately terminate and the number of directors constituting the Board shall be reduced accordingly. In no event shall the holders of Series A Preferred Stock be entitled under the voting rights under this Section 8 to elect a director that would cause the Corporation to fail to satisfy a requirement relating to director independence of any national securities exchange or quotation system on which any class or series of the stock of the Corporation is listed or quoted. For the avoidance of doubt, in no event shall the total number of directors elected by holders of the Series A Preferred Stock (voting together as a single class with all other classes or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of such directors) pursuant to the voting rights under this Section 8 exceed two.

(c) If a special meeting is not called by the Corporation within 30 days after request from the holders of Series A Preferred Stock as described in Section 8(b), then the holders of record of at least 25% of the outstanding Series A Preferred Stock may designate a holder to call the meeting at the expense of the Corporation and such meeting may be called by the holder so designated in accordance with the procedures required for calling an annual or special meeting of stockholders, as applicable, as set forth in the Charter and Bylaws of the Corporation, and shall be held at the place designated by the holder calling such meeting.

(d) So long as any shares of Series A Preferred Stock remain outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series A Preferred Stock outstanding at the time, voting together as a single class with all outstanding series of Preferred Stock ranking on a parity with the Series A Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable, given in person or by proxy, either in writing or at a meeting, (i) authorize or create, or increase the number of authorized or issued shares of any class or series of capital stock ranking senior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up or reclassify any of the authorized capital stock of the Corporation into shares of such class or series, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter or repeal the provisions of the Charter, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or

voting power of the Series A Preferred Stock (each, an “Event”); provided, however, with respect to the occurrence of any Event set forth in clause (ii), so long as the Series A Preferred Stock remains outstanding with the terms thereof materially unchanged, or the holders of shares of Series A Preferred Stock receive securities of a successor person or entity with substantially identical rights as those of the Series A Preferred Stock, taking into account that, upon an occurrence of an Event, the Corporation may not be the surviving entity, the occurrence of any such Event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of the Series A Preferred Stock and, provided further, that any increase in the number of the authorized shares of Preferred Stock, including the Series A Preferred Stock, or the creation or issuance of any additional shares of Series A Preferred Stock or other class or series of Preferred Stock that the Corporation may issue, or any increase in the number of authorized shares of such class or series, in each case ranking on a parity with or junior to the Series A Preferred Stock that the Corporation may issue with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

9

(e) The voting rights provided for in this Section 8 will not apply if, at or prior to the time when the act with respect to which voting by holders of the Series A Preferred Stock would otherwise be required pursuant to this Section 8 shall be effected, all outstanding shares of Series A Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption pursuant to Section 6.

(f) Except as expressly stated in this Section 8, the Series A Preferred Stock will not have any relative, participating, optional or other special voting rights or powers and the consent of the holders thereof shall not be required for the taking of any corporate action. The holders of Series A Preferred Stock shall have exclusive voting rights on any charter amendment that would alter only the contract rights, as expressly set forth in the Charter, of the Series A Preferred Stock.

(g) Notwithstanding the foregoing, holders of any series of Preferred Stock that the Corporation may issue ranking on a parity with the Series A Preferred Stock shall not be entitled to vote together as a class with the holders of Series A Preferred Stock on any amendment, alteration or repeal of any provision of the Charter unless such action affects the holders of the Series A Preferred Stock and such other series of Preferred Stock equally.

Section 9. Information Rights. During any period in which the Corporation is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series A Preferred Stock are outstanding, the Corporation will use its best efforts to (i) post to its website or transmit by mail (or other permissible means under the Exchange Act) to all holders of shares of Series A Preferred Stock, as their names and addresses appear on the record books of the Corporation and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q, respectively, that the Corporation would have been required to file with the Securities and Exchange Commission (the “SEC”) pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (ii) promptly, upon request, supply copies of such reports to any holders or prospective holder of shares of Series A Preferred Stock. The Corporation will use its best efforts to post to its website or mail (or otherwise provide) the information to the holders of the Series A Preferred Stock within 15 days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Corporation were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Corporation would be required to file such periodic reports if it were a “non-accelerated filer” within the meaning of the Exchange Act.

Section 10. No Preemptive Rights. No holders of the Series A Preferred Stock will, as holders of Series A Preferred Stock, have any preemptive rights to purchase or subscribe for Common Stock or any other security of the Corporation.

Section 11. Restrictions on Ownership and Transfer. In order to ensure that the Corporation remains a qualified REIT for federal income tax purposes, the Series A Preferred Stock shall be subject to the provisions of Article TWELFTH of the Charter. Pursuant to Article TWELFTH, and without limitation of any provisions of such Article TWELFTH, the Series A Preferred Stock together with other equity stock of the Corporation owned by a stockholder in excess of the Aggregate Stock Ownership Limit (as defined in the Charter) shall automatically be transferred to a Trust for the benefit of the Charitable Beneficiary (as defined in the Charter).

10

Section 12. Record Holders. The Corporation and the transfer agent for the Series A Preferred Stock may deem and treat the record holder of any Series A Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor the transfer agent shall be affected by any notice to the contrary.

SACHEM CAPITAL CORP.

The Company will furnish without charge to each shareholder who so requests, a summary of the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock of the Company and the qualifications, limitations or restrictions of such preferences and rights, and the variations in rights, preferences and limitations determined for each series, which are fixed by the Certificate of Incorporation of the Company, as amended, and the resolutions of the Board of Directors of the Company, and the authority of the Board of Directors to determine variations for future series. Such request may be made to the office of the Secretary of the Company or to the transfer agent. The Board of Directors may require the owner of a lost or destroyed stock certificate, or his legal representatives, to give the Company a bond to indemnify it and its transfer agents and registrars against any claim that may be made against them on account of the alleged loss or destruction of any such certificate.

The shares represented by this certificate are subject to restrictions on Beneficial and Constructive Ownership and Transfer of Capital Stock for the purpose of the Company's maintenance of its status as a Real Estate Investment Trust under the Internal Revenue Code of 1986, as amended (the "Code"). Subject to certain further restrictions and except as expressly provided in the Company's Charter, (i) no Person may Beneficially or Constructively Own the Company's common shares in excess of the Common Stock Ownership Limit, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (ii) no Person may Beneficially or Constructively Own shares of Capital Stock of the Company in excess of the Aggregate Stock Ownership Limit, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (iii) no Person may Beneficially or Constructively Own Capital Stock that would result in the Company being "closely held" under Section 856(h) of the Code or otherwise cause the Company to fail to qualify as a REIT; and (iv) no Person may Transfer shares of Capital Stock if such Transfer would result in the Capital Stock of the Company being owned by fewer than 100 Persons. Any Person who Beneficially or Constructively Owns or attempts to Beneficially or Constructively Own shares of Capital Stock which causes or will cause a Person to Beneficially or Constructively Own shares of Capital Stock in excess or in violation of the above limitations must immediately notify the Company. If any of the restrictions on transfer or ownership are violated, the shares of Capital Stock represented hereby will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void ab initio. The Common Stock Ownership Limit and the Aggregate Stock Ownership Limit are both 4.99%. All capitalized terms in this legend have the meanings defined in the Company's Charter, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished to each holder of Capital Stock of the Company on request and without charge.
