THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only shareholders of record at the close of business on July 24, 2023 (the "Record Date"), are entitled to notice of and vote at the Annual Meeting. On the Record Date, we had 43,822,050 common shares, par value \$0.001 per share ("Common Shares") and 1,937,277 shares of 7.75% Series A Cumulative Redeemable Preferred Stock (the "Series A Preferred Stock") issued and outstanding. Each Common Share is entitled to one vote and, except under limited circumstances, none of which have occurred, holders of the Series A Preferred Stock do not have any voting rights and are not be entitled to vote at the Annual Meeting. Common Shares represented by a properly executed, unrevoked Proxy received in time for the Annual Meeting will be voted as specified. A quorum will be present at the Annual Meeting if shareholders owning a majority of the Common Shares outstanding on the Record Date are present at the Annual Meeting, virtually or by Proxy.

Voting of Proxies

The person acting as proxy (the "Proxyholder") pursuant to the enclosed Proxy will vote the Common Shares represented as directed in the signed Proxy. Unless otherwise directed in the Proxy, the Proxyholder will vote the Common Shares represented by the Proxy: (i) for the election of the director nominees named in this Proxy Statement ("Election of Directors"); (ii) for the advisory approval of the appointment of Hoberman & Lesser CPA's, LLP ("H&L") as the Company's independent auditors for the year ending December 31, 2023 (the "Approval of Auditors"); and (iii) in their discretion, on any other business that may come before the Annual Meeting and any adjournments of the Annual Meeting.

1

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (see below). All Common Shares represented by valid Proxies will be voted in accordance with the instructions contained therein. A Proxy may be revoked by the shareholder giving the Proxy at any time before it is voted, by written notice addressed to and received by the Secretary of the Company or Secretary of the Annual Meeting, and a prior Proxy is automatically revoked by a shareholder giving a subsequent Proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting, however, in and of itself does not revoke a prior Proxy. Common Shares represented by Proxies that are marked "WITHHOLD AUTHORITY" or "ABSTAIN" will be counted for quorum purposes.

Broker Non-Votes. A broker non-vote occurs when Common Shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients ("broker non-votes"). If your broker holds your Common Shares in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your Common Shares on "routine" matters. Where a proposal is a "non-routine" matter, a broker who has not received instructions from its clients does not have discretion to vote its clients' uninstructed Common Shares on that proposal. At the Annual Meeting, the Approval of Auditors (Proposal No. 2) is considered a routine matter. The Election of Directors (Proposal No. 1) is considered "non-routine," and your broker will not have discretion to vote on this proposal. Broker non-votes will be counted towards determining whether or not a quorum is present.

Voting Requirements

Election of Directors. The election of the four (4) director nominees will require a plurality of the votes cast at the Annual Meeting. Election by a plurality means that the director nominee with the most votes for a particular Board seat is elected for that seat. Common Shares represented by Proxies marked "Withhold" and broker non-votes will be deemed not to have been cast and will have no effect on the outcome of the vote.

Approval of Auditors. The affirmative vote of a majority of the votes cast on the matter by shareholders entitled to vote at the Annual Meeting is required to approve the appointment of H&L as the Company's independent auditors on an advisory basis for the fiscal year ending December 31, 2023. Common Shares represented by Proxies marked "ABSTAIN" will not be treated as a vote "for" or "against" the matter and, thus will have no effect on the outcome of the vote.

**Proposal No. 1
ELECTION OF DIRECTORS**

Four (4) directors are to be elected at the Annual Meeting. All directors hold office until the next annual meeting of shareholders and until their respective successors are duly elected and qualified.

It is intended that votes pursuant to the enclosed Proxy will be cast for the election of the four (4) director nominees named below. If any such nominee should become unable or unwilling to serve as a director, the proxy will vote for the election of an alternate candidate, if any, as shall be designated by the Board. The Board has no reason to believe that any of these nominees will be unable to serve if elected. Each nominee has consented to being named in this Proxy Statement and to serve if elected. All four (4) nominees are currently members of the Board. There are no family relationships among any of the executive officers or directors of the Company.

Our director nominees and their respective ages as of the Record Date are as follows:

<u>Name</u>	<u>Age</u>	<u>Position</u>
John L. Villano	63	Chairman of the Board, Chief Executive Officer, President and Interim Chief Financial Officer
Leslie Bernhard ⁽¹⁾⁽⁴⁾	79	Director
Arthur Goldberg ⁽²⁾⁽⁴⁾	84	Director
Brian Prinz ⁽³⁾⁽⁴⁾	70	Director

(1) Chair of the Compensation Committee ("Compensation Committee").

(2) Chair of the Audit Committee ("Audit Committee").

(3) Chair of the Nominating and Corporate Governance Committee ("Nominating and Corporate Governance Committee").

(4) Member of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Set forth below is a brief description of the background and business experience of our director nominees:

John L. Villano, is Chairman of the Board, Chief Executive Officer, President and Interim Chief Financial Officer. Mr. Villano is one of our founders. Mr. Villano was appointed as a director and Chairman of the Board, Co-Chief Executive Officer, Chief Financial Officer and Secretary in February 2017, immediately prior to our initial public offering. In November 2019, upon the resignation of his brother, Jeffrey C. Villano, he became our sole Chief Executive Officer and was appointed Treasurer in addition to his then current positions with the Company and resigned as Secretary. Mr. Villano served as our Chief Financial Officer until August 2022, when we hired John E. Warch, and as our Treasurer until July 2022. He was appointed as our Interim Chief Financial Officer in May 2023 upon the departure of Mr. Warch, our then Chief Financial Officer. Mr. Villano has been designated as our principal executive officer and principal accounting officer. Mr. Villano is a certified public accountant and was engaged in the private practice of accounting and auditing for almost 30 years. His responsibilities include overseeing all aspects of our business operations, including loan origination and servicing,

investor relations, brand development and business development. He is also responsible for all our accounting and financial matters. Mr. Villano holds a bachelor's degree in Accounting from the University of Rhode Island in 1982. We believe that Mr. Villano's experience in managing our business since its inception and his professional background as a certified public accountant make him an important part of our management team and make him a worthy candidate to serve on the Board.

Leslie Bernhard was appointed as a director in February 2017 immediately prior to the consummation of our initial public offering. She served as an independent director of Milestone Scientific Inc. (NYSE American: MLSS), a developer and manufacturer of medical and dental devices, from May 2003 until January 4, 2023 and as the non-executive chairman of the Milestone board of directors from October 2009 through January 4, 2023. She also served as interim chief executive officer of Milestone from October 2017 to December 2017. From 2007 through September 2018, Ms. Bernhard served as an independent director of Universal Power Group, Inc., a global supplier of power solutions ("UPG"), and as a consultant to UPG from September 2018 to December 2020. In 1986, Ms. Bernhard co-founded AdStar, Inc., an electronic ad intake service to the newspaper industry, and served as its president, chief executive officer and executive director until 2012. Ms. Bernhard holds a BS Degree in Education from St. John's University. We believe that Ms. Bernhard's experience as an entrepreneur and her service as a director of other public corporations will enable her to make an important contribution to the Board.

Arthur L. Goldberg was appointed as a director in February 2017 immediately prior to the consummation of our initial public offering. He has been a private accounting and business consultant since April 2012. From March 2011 through June 2015, he served as a director of Sport Haley Holdings, Inc., a manufacturer and distributor of sportswear and furniture. From January 2008 through March 2013, he served as a member of the board of directors of SED International Holdings, Inc. (OTC: SEDN), a distributor of consumer electronics. From January 2008 through March 2012, he served as the chief financial officer of Clear Skies Solar, Inc., an installer of solar panels. Mr. Goldberg has held senior executive positions, including chief financial officer and chief operating officer, and served as a director of several public companies. From January 2008 through June 2008, he served as the chief financial officer of Milestone Scientific, Inc. (NYSE American: MLSS), a developer and manufacturer of medical and dental devices. From June 1999 through April 2005, Mr. Goldberg was a partner with Tatum CFO Partners, LLP, which provided interim CFO staffing services for public and private companies. Mr. Goldberg is an attorney and a certified public accountant and holds a B.B.A. degree from the City College of New York, an M.B.A. from the University of Chicago and J.D. and LL.M. degrees from the New York University School of Law. Mr. Goldberg was selected as a director because of his experience as the senior executive, operations and financial officer of several public companies and because of his background in law and accounting. We believe that his background and experience will provide the Board with a perspective on corporate finance matters. Given his financial experience, the Board has also determined that Mr. Goldberg qualifies as the Audit Committee financial expert, pursuant to Item 407(d)(5) of Regulation S-K promulgated by the U.S. Securities and Exchange Commission (the "SEC").

Brian A. Prinz was appointed as a director in February 2017 immediately prior to the consummation of our initial public offering. Since 1976, Mr. Prinz has been employed by Current, Inc., a leading manufacturer of laminated products including sheeting, tubes, rods, spacers and standoffs, as well as electrical grade laminates, a variety of carbon fiber products and other industrial products, which are used in various industries including construction, recreation, energy exploration and defense. Since 2011, Mr. Prinz has served as its president and chief financial officer. Mr. Prinz graduated from Bryant College with a B.A. in 1976. We believe that his background and experience make him well qualified to serve as a member of the Board.

**The Board recommends a vote FOR the election of each director nominee,
and Proxies that are signed and returned will be so voted,
unless otherwise instructed.**

The Code of Ethics is posted on our web site at www.sachemcapitalcorp.com. We will also provide a copy of the Code of Ethics to any person without charge, upon written request addressed to John L. In addition, we intend to post on our website all disclosures that are required by law or the NYSE American LLC (the "NYSE American") listing standards concerning any amendments to, or waivers from, any provision of our Code of Ethics.

Director Independence and Committees of the Board

The current members of the Board are John L. Villano, Leslie Bernhard, Arthur Goldberg and Brian Prinz. The Board has determined, in accordance with the NYSE American LLC Company Guide, that: (i) Ms. Bernhard and Messrs. Goldberg and Prinz are independent and represent a majority of its members; and (ii) Ms. Bernhard and Messrs. Goldberg and Prinz, as the members of the Audit Committee, the Nominating and Corporate Governance Committee and Compensation Committee, are independent for such purposes. In determining director independence, the Board applies the independence standards set by NYSE American. In applying these standards, the Board considers all transactions with the independent directors and the impact of such transactions, if any, on any of the independent directors' ability to continue to serve on the Board.

We have three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each committee is made up entirely of independent directors as defined under the NYSE American LLC Company Guide. Mr. Goldberg is the chairman of the Audit Committee and qualifies as the "audit committee financial expert" pursuant to Item 407(d)(5) of Regulations S-K; Ms. Bernhard is the chairwoman of the Compensation Committee; and Mr. Prinz is the chairman of the Nominating and Corporate Governance Committee. As members of the committees, independent directors meet without the presence of non-independent directors in executive session.

Audit Committee. The Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with auditors and audits of financial statements. Specifically, the Audit Committee's responsibilities include the following:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by the independent auditors;

- reviewing the design, implementation and adequacy and effectiveness of our internal controls and critical policies;
- overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements and other accounting matters;
- with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations; and
- preparing the report that the SEC requires in our annual proxy statement.

Compensation Committee. The Compensation Committee assists the Board in determining the compensation of our executive officers and directors. The Compensation Committee is comprised entirely of directors who satisfy the standards of independence applicable to Compensation Committee members established under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “*Code*”) and Section 16(b) of the Securities and Exchange Act of 1934, as amended (the “*Exchange Act*”). Specific responsibilities include the following:

- approving the compensation and benefits of our executive officers;
- reviewing the performance objectives and actual performance of our officers; and
- administering our stock option and other equity and incentive compensation plans.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance committee assists the Board by identifying and recommending individuals qualified to become members of the Board. Specific responsibilities include the following:

- evaluating the composition, size and governance of the Board and its committees and making recommendations regarding future planning and the appointment of directors to our committees;
- establishing a policy for considering shareholder nominees to the Board;
- reviewing our corporate governance principles and making recommendations to the Board regarding possible changes; and
- reviewing and monitoring compliance with our Code of Ethics and insider trading policy.

During fiscal year 2022, the Board held 15 meetings, the Audit Committee held four (4) meetings; the Compensation Committee held one (1) meeting and the Nominating and Corporate Governance Committee did not meet. The committee charters are available on our website at www.sachemcapitalcorp.com.

All directors attended or participated in at least 75% of the aggregate number of meetings of the Board and of the Board’s committees on which each applicable director served.

It is the Company's policy that directors are encouraged to attend the Annual Meeting.

Audit Committee Report

The Audit Committee oversees our financial reporting process on behalf of the Board. The Audit Committee consists of three (3) members of the Board who meet the independence and experience requirements of NYSE American and the SEC.

The Audit Committee retains our independent registered public accounting firm and approves in advance all permissible non-audit services performed by them and other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consults with management and our independent registered public accounting firm regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates and generally oversees our relationship with our independent registered public accounting firm.

The Audit Committee has reviewed our audited financial statements for the year ended December 31, 2022 and met with management to discuss such audited financial statements. The Audit Committee has discussed with H&L, our independent accountants, the matters required to be discussed pursuant to applicable auditing standards. The Audit Committee has received the written disclosures and the letter from H&L required by the Public Company Accountant Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence and has discussed with H&L its independence from us and our management. H&L had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee has recommended to the Board that our audited financial statements for the year ended December 31, 2022 be included in our Annual Report on Form 10-K for the year then ended for filing with the SEC.

AUDIT COMMITTEE:
Arthur Goldberg, Chairman
Leslie Bernhard
Brian Prinz

The above Audit Committee report is not deemed to be “soliciting material,” and is not “filed” with the SEC.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for recommending to the Board the director nominees for election at the annual meeting of shareholders each year and will consider director candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Corporate Governance Committee may also take into consideration the number of Common Shares of Company stock held by the recommending shareholder and the length of time that such Common Shares have been held. To have a candidate considered by the Nominating and Corporate Governance Committee, a shareholder must submit the recommendation in writing and must include the following information: (i) the name of the shareholder and evidence of the person's ownership of Company stock, (including the number of Common Shares owned and the length of time of ownership); (ii) the name of the candidate; (iii) the candidate's resume or a listing of his or her qualifications to be a director of the Company; and (iv) the person's consent to be named as a director if selected by the Nominating and Corporate Governance Committee and nominated by the Board.

The information described above must be sent to the Company's Chief Financial Officer at 568 East Main Street, Branford, Connecticut 06405, on a timely basis to be considered by the Nominating and Corporate Governance Committee, within the time periods set forth in the "Shareholder Proposals" section below.

The Nominating and Corporate Governance Committee may also receive suggestions from current Company directors, executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating and Corporate Governance Committee for such candidates. The Nominating and Corporate Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates.

8

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the Nominating and Corporate Governance Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating and Corporate Governance Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating and Corporate Governance Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating and Corporate Governance Committee may consider all such information in light of information regarding any other candidates that the Nominating and Corporate Governance Committee might be evaluating for membership on the Board. In certain instances, the Nominating and Corporate Governance Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating and Corporate Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder, although, as stated above, the Board may take into consideration the number of Common Shares held by the recommending shareholder and the length of time that such Common Shares have been held.

Disclosure of Director Qualifications

The Board, acting through the Nominating and Corporate Governance Committee, is responsible for assembling for shareholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a board of directors.

The Nominating and Corporate Governance Committee believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her business or professional field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company as well as a reputation of integrity and competence in his or her personal and professional activities. The Nominating and Corporate Governance Committee's criteria for evaluating potential candidates include the following: (i) an understanding of the Company's business, the markets in which it operates and culture; (ii) the possession of such knowledge, skills, expertise and diversity of experience that would enhance the Board's ability to manage and direct the affairs and business of the Company; (iii) certain personal characteristics including integrity, competence, suitable professional training and experience, record of achievement, a reputation for collegiality, a history of constructive contribution to collective endeavors and (iv) the ability and commitment to devote sufficient time and energy to serve on the Board. Finally, the Nominating and Corporate Governance Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds, skills, experiences and perspectives that reflect the values of the community in which the Company operates and that will enable the Company to fully and properly serve its clients and the surrounding communities as well as address the business and social challenges that could arise in the course of the Company's business activities.

Board Leadership Structure

John L. Villano has served as Chairman of the Board, co-Chief Executive Officer and Chief Executive Officer (upon the departure of Jeffrey C. Villano in November 2019) since taking office in February 2017. Our By-Laws give the Board the flexibility to determine whether the roles of Chairman of the Board and Chief Executive Officer should be held by the same person or by two separate individuals. Our Nominating and Corporate Governance Committee evaluates our leadership structure and determines the most appropriate structure based upon its assessment of the Company's needs, strategy and long-term goals. The Board also considers specific circumstances that may arise from time to time as well as social and cultural issues that may arise in the course of the Company's business. At this time, the Board has determined that having John L. Villano serve as both the Chairman of the Board and Chief Executive Officer is in the best interest of our shareholders. The Board believes this structure makes the best use of Mr. Villano's extensive knowledge of our business, financial requirements, personnel, strategic initiatives and industry. It also fosters real-time communication between management and the Board.

9

The Board's Oversight of Risk Management

The Board recognizes that all companies face a variety of risks, including credit risk, liquidity risk, strategic risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into our decision-making. The Board encourages, and management promotes, a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of management to assess and analyze the most likely areas of future risk to which we may be vulnerable.

Communications with Directors

The Board has established a process to receive communications from shareholders. Shareholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Sachem Capital Corp., 568 East Main Street, Branford, Connecticut 06405, Attention: Secretary.

All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters

deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

Employment Agreement — John L. Villano

In August 2016, in anticipation of our initial public offering, we entered into an employment agreement with John L. Villano. The material terms of Mr. Villano's employment agreement are as follows:

- Mr. Villano serves as our chairman, chief executive officer, president and interim chief financial officer.
- The term of his employment, which commenced in February 2017, is five years, unless terminated earlier in accordance with his employment agreement. The termination date is extended one year on each anniversary date of the agreement unless either party to the agreement provides written notice at least 180 days before the next anniversary date that it is electing not to renew the agreement, in which case the agreement will terminate at the end of the fourth year from the next anniversary date.

12

- As of April 2021, Mr. Villano's base salary was \$500,000 per annum. In addition, for the year ended December 31, 2021, he was entitled to a one-time cash bonus of \$250,000, which was paid in 2021. He was also entitled to a "target bonus" of up to \$250,000, as determined by the Compensation Committee, which would have been payable in 2022. Mr. Villano waived his right to receive the target bonus.
- In April 2022, Mr. Villano's base salary was increased to \$750,000 per annum, retroactive to January 1, 2022.
- Mr. Villano is entitled to incentive compensation in such amount as shall be determined by the Compensation Committee of the Board in its sole and absolute discretion, based on our achievement of the financial performance goals set by the Board and capital transactions.
- Mr. Villano has the right to participate in all retirement, pension, deferred compensation, insurance and other benefit plans adopted and maintained by us for the benefit of employees and be entitled to additional compensation in an amount equal to the cost of any such benefit plan or program if he chooses not to participate.
- Mr. Villano is indemnified to the full extent permitted by law against and for any claims, liabilities, losses, expenses and costs incurred that relate to any acts or omission taken in his capacity as an officer or director.
- We have the right to terminate the employment agreement at any time with or without cause and for death or disability (as defined in the employment agreement). See below for the payments due upon a termination.
- Mr. Villano is subject to a two-year non-competition provision if we terminate the employment agreement for cause.
- In the event any payment to the employee is subject to an excise tax under the Code, we will pay the employee an additional amount equal to the amount of the excise tax and any other taxes (whether in the nature of excise taxes or income taxes) due with respect to such payment.

In April 2021, Mr. Villano received a grant of 89,928 restricted Common Shares (based on the closing price of \$5.56 per Common Share on April 8, 2021) vesting in three equal installments on each of January 1, 2022, 2023 and 2024, which are subject to forfeiture, to the extent unvested, if he voluntarily resigns as an employee of the Company without "Good Reason" or if his employment is terminated for "Cause."

In April 2022, Mr. Villano received a grant of 98,425 restricted Common Shares (based on the closing price of \$5.08 per Common Share on April 5, 2022) vesting in three equal installments on each of January 1, 2023, 2024 and 2025, which are subject to forfeiture under the same terms and conditions as the 2021 grant.

In February 2023, Mr. Villano received a grant of 130,890 restricted Common Shares (based on the closing price of \$3.82 per Common Share on February 16, 2023) vesting in three equal installments on each of January 1, 2024, 2025 and 2026, which are subject to forfeiture under the same terms and conditions as the 2021 grant.

For the year ended December 31, 2022, Mr. Villano was entitled to a "target bonus" of \$250,000 as determined by the Compensation Committee, which was paid in March 2023. In addition, for 2023, he is entitled to a "target bonus" of up to \$375,000, as determined by the Compensation Committee, which would be payable in 2024.

13

Termination and Change of Control Arrangement

Mr. Villano's employment agreement provides that we may terminate his employment at any time with or without cause. It also provides that his employment will terminate upon his death or disability. If we terminate his employment for cause, we are only liable for his base salary and benefits through the date of termination. In addition, he will not forfeit any rights to payments, options or benefits that have vested or have been earned or to which he is entitled as of the date of termination. If we terminate his employment without cause or the agreement terminates due to Mr. Villano's death or disability or if Mr. Villano terminates his employment for "Good Reason" (as defined in the employment agreement), he is also entitled to receive: (i) a lump sum payment equal to 48 times his monthly salary on the date of termination; (ii) any deferred compensation or accrued vacation pay; (iii) continuation for a 12-month period after termination of health and welfare and long-term disability benefits; and (iv) a pro rata share of any incentive compensation and any other compensation or benefits to which he would have been entitled had he not been wrongfully terminated.

Good Reason includes a "change in control" with respect to us. A "change in control" would occur (1) if we merge into another corporation and, as a result of such merger, our shareholders immediately prior to such merger own less than 50% of the surviving corporation; (2) we sell, lease or otherwise dispose of all or substantially all of our assets; (3) if any individual, corporation or other entity or group of such persons acting jointly acquires beneficial ownership, directly or indirectly, of our Common Shares or any other securities having voting rights that we may issue in the future, rights to acquire our voting securities (including, without limitation, securities that are convertible into voting securities and rights, options warrants and other agreements or arrangements to acquire such voting securities) in such amount or amounts as would permit such person, corporation or other entity or group thereof acting jointly to elect a majority of the members of the Board, as then constituted; or (4) if any individual, corporation or

other entity or group of such persons acting jointly acquires beneficial ownership, directly or indirectly, of voting securities and rights to acquire voting securities having voting power equal to 40% percent or more of the combined voting power of our then outstanding voting securities, unless such acquisition is expressly approved by resolution of the Board passed upon affirmative vote of not less than a majority of the Board and adopted at a meeting of the Board held not later than the date of the next regularly scheduled or special meeting held following the date we obtain actual knowledge of such acquisition (which approval may be limited in purpose and effect solely to affecting the rights of the executive under his employment agreement). Notwithstanding the preceding sentence, any transaction that involves a mere change in identity form or place of organization within the meaning of Section 368(a)(1)(F) of the Code, or a transaction of similar effect, will not constitute a “change in control.”

Employment Agreement — John E. Warch

Effective August 2022, we entered into an employment agreement with John E. Warch, our former executive vice president and chief financial officer. His employment was terminated effective May 4, 2023 (the “*Termination Date*”).

- He was entitled to severance pay equal to one year’s base salary, except if the termination occurs on or before August 1, 2023, in which case the severance amount will be three months of his base salary, if he is terminated without cause, or if he terminates for good reason. Notwithstanding the foregoing, as noted below, in connection with the termination of his employment, the Company agreed to pay Mr. Warch accrued but unpaid base salary up to the Termination Date and an amount equal to six (6) months of his base salary.

14

As noted below, in connection with the termination of his employment in May 2023, the 2024 and 2025 installments were forfeited. In addition, in March 2023, Mr. Warch was paid a “prorated target bonus” of \$70,000 for the year ended December 31, 2022.

In connection with the termination of his employment, we entered into a separation agreement and general release with Mr. Warch. The material terms of such agreement were as follows:

- The Company agreed to pay Mr. Warch accrued but unpaid base salary up to the Termination Date and an amount equal to six (6) months of his base salary over six (6) months in equal increments.
- All obligations under his employment agreement with the Company terminated except for the covenants restricting his use of Company “confidential information” and his ability to compete with the Company.
- The Company and Mr. Warch provided mutual general releases of claims arising from his employment with the Company, except that the Company’s release excluded claims based on fraud, gross negligence, or willful misconduct of Mr. Warch.
- The Company agreed to pay the cost of COBRA for Mr. Warch’s health insurance premiums for six (6) months following the Termination Date.

Equity Compensation Plan Information

On October 27, 2016, we adopted the 2016 Equity Compensation Plan (the “*Plan*”), the purpose of which is to align the interests of our officers, other employees, advisors and consultants or any subsidiary, if any, with those of our shareholders and to afford an incentive to such officers, employees, consultants and advisors to continue as such, to increase their efforts on our behalf and to promote the success of our business. The basis of participation in the Plan is upon discretionary grants of awards by the Board. The Plan is administered by the Compensation Committee. The maximum number of Common Shares reserved for the grant of awards under the Plan is 1,500,000, subject to adjustment as provided in Section 5 of the Plan. As of December 31, 2022, approximately 37 individuals are eligible to participate in the Plan including all our employees (including executive officers) and the three independent directors.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders	0	Not applicable	1,188,468
Total	0	Not applicable	1,188,468

During the fiscal year ended December 31, 2022, we granted an aggregate of 163,967 restricted Common Shares under the Plan. Subsequent to December 31, 2022, we granted an additional 183,390, in the aggregate, restricted Common Shares under the Plan.

Types and Terms of Awards

Awards under the Plan may take the form of stock options (either incentive stock options or non-qualified stock options) or restricted Common Shares. Subject to restrictions that are set forth in the Plan, the Compensation Committee will have complete and absolute authority to set the terms, conditions and provisions of each award, including the size of the award, the exercise or base price, the vesting and exercisability schedule (including provisions regarding acceleration of vesting and exercisability) and termination and forfeiture provisions.

The Compensation Committee is subject to the following specific restrictions regarding the types and terms of awards:

- The exercise price for a stock option may not be less than 100% of the fair market value of the stock on the date of grant.
- No award may be granted after the expiration of the Plan (more than ten years after the Plan adoption date).

No stock option can be “repriced” without the consent of the shareholders and of the option holder if the effect would be to reduce the exercise price per share.

Amendment and Termination of the Plan

The Plan expires on the tenth anniversary of the date of its adoption by the Board. Prior to the expiration date, the Board may at any time, and from time to time, suspend or terminate the Plan in whole or in part or amend it from time to time; *provided, however*, that unless otherwise determined by the Board, an amendment that requires shareholder approval in order for the Plan to continue to comply with Section 162(m) of the Code or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of shareholders. Notwithstanding the foregoing, no amendment to or termination of the Plan shall affect adversely any of the rights of any grantee under any outstanding award granted under the Plan without such grantee’s consent.

Exercise Price of an Option Granted Under the Plan

The exercise price of an option granted under the Plan may be no less than the fair market value of a Common Share on the date of grant, unless, with respect to nonqualified stock options that are not intended as incentive stock options within the meaning of Section 422 of the Code from time to time, otherwise determined by the Compensation Committee. However, incentive stock options granted to a ten percent shareholder must be priced at no less than 110% of the fair market value of our Common Shares on the date of grant and their term may not exceed five years. All options granted under the Plan are for a term of no longer than ten years unless otherwise determined by the Compensation Committee. The Compensation Committee also determines the exercise schedule of each option grant.

Federal Income Tax Consequences

The following is a summary of the effect of federal income taxation upon the recipients and us with respect to the Common Shares under the Plan and does not purport to be complete.

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to us or the grantee. The exercise of a non-qualified stock option will require a grantee to include in his gross income the amount by which the fair market value of the acquired Common Shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the Common Shares acquired upon exercise of a non-qualified stock option, a grantee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such Common Shares. We will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the grantee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to us or the employee to whom the option is granted. If the employee exercises an incentive stock option and does not dispose of the acquired Common Shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such Common Shares to the employee (a “*disqualifying disposition*”), the employee will not realize compensation income and any gain or loss realized on a subsequent disposition of such Common Shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee’s alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

Restricted Shares. Generally, unless the participant elects, pursuant to Section 83(b) of the Code to recognize income in the taxable year in which restricted Common Shares have been awarded, the participant is required to recognize income for federal income tax purposes in the first taxable year during which the participant’s rights over the restricted Common Shares are transferable or are not subject to a substantial risk of forfeiture, whichever occurs earlier. At such time, we will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes except to the extent that such participant’s total compensation for the taxable year exceeds \$1.0 million, in which case such deduction may be limited by Section 162(m) of the Code unless any such grant of restricted Common Shares is made pursuant to a performance-based benchmark established by the Compensation Committee.

As of December 31, 2022, there were no options granted under the Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent (10%) shareholders are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a) of the Exchange Act.

To the best of the Company's knowledge, based solely on review of the copies of such forms furnished to the Company, or written representations that no other forms were required, the Company believes that all filing requirements applicable to its officers, directors and greater than 10% shareholders pursuant to Section 16(a) of the Exchange Act were complied with during the year ended December 31, 2022 except as set forth below.

Delinquent Section 16(a) Reports

None.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

During the years ended December 31, 2022 and 2021: (i) the wife of our Chief Executive Officer was paid \$63,168 and \$120,000, respectively, for accounting and financial reporting services provided to us; and (ii) the daughter of our Chief Executive Officer was paid \$141,652 and \$10,962, respectively, for internal audit and compliance services provided to us. The Chief Executive Officer's wife retired in the third quarter of 2022.

We have adopted a policy that prohibits any transaction between us and a related party unless the terms of that transaction are no less favorable to us than if we had entered into the same transaction with an unrelated party and the transaction is approved by our Audit Committee or other independent committee of the Board, in the case where it is inappropriate for our Audit Committee to review such a transaction due to a conflict of interest.

Proposal No. 2 ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

H&L has been our independent auditor since 2015. Their audit report appears in our annual report for the fiscal year ended December 31, 2022. One or more representatives of H&L is expected to be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from our shareholders.

Selection of the independent accountants is not required to be submitted to a vote of our shareholders for advisory approval. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint H&L to serve as independent auditors to conduct an audit of our accounts for the 2023 fiscal year. However, the Board is submitting this matter to our shareholders as a matter of good corporate practice. If the shareholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain H&L and may retain that firm or another without re-submitting the matter to the shareholders. Even if shareholders vote on an

advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in our and our shareholders' best interests.

**The Board recommends a vote FOR this proposal,
and Proxies that are signed and returned will be so voted,
unless otherwise instructed.**

Audit Committee Pre-Approval Policy

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by our independent auditors before they are engaged to render these services. The Audit Committee may consult with management in the decision-making process but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting. All audit and non-audit services performed by the independent accountants must be pre-approved by the Audit Committee to assure that such services do not impair the auditors' independence from us.
